(4) 1. Two blocks of the N. B. Chatham may be placed at the disposal of Hon. Krishnamurti Rao from such date as he may wish to take possession of the same.

(5) 2. A sum of Rs 250 was sanctioned last year as grant to the Home for hire of furniture. As the accommodation available for being placed at his disposal is the same as in last year, a similar amount may be sanctioned this year also as grant to the Home.

(6) 3. The District Medical & Sanitary Officer may be requested to make the necessary arrangements for medical attendance at the Home.

(7) 4. Erection of separate kitchens and bath room as desired by Hon'ble would be a convenience as this would set free a few more rooms for sitting purposes and avoid smoke & consequent nuisance. If this facility is afforded at the cost of Govt it will virtually amount to

an increase in the grant. This request may be allowed.

5. (8) Our stock does not admit of a loan of dining planks, Copper Handes & rice boilers as they will be in demand from guests, R.A. members and for the State Dinner. Usually we indent upon the Palace Mothikhana for these articles to meet these demands.

6. (9) Tent walls may be opened as far as they become available after satisfying our needs.

7. (10) In regard to conveyances for the use of the members of the House, it appears to be a matter for arrangement by persons having control over the House.

Dated, 1st August, 1914.

To,

D.M. Narasinga Rao, Esq., B.A., B.L.,

Secretary to the Government of His Highness

The Maharaja of Mysore, Genl. & Rev. Depts,

B A N G A L O R E.

Sir,

In continuation of my last year's request dated 18th July 1913/23rd September, 1913 regarding the grant of needful facilities for the Representatives' Home, I beg to renew the same request this year also.

In doing so I am glad to inform you, that the Traffic - Manager, Madras and Southern Maharatta Railway has been pleased to grant Railway concessions to Representative Members, their families and servants on production of a certificate signed by me. That will facilitate travelling of the members.

(1) To accomodate them at Mysore, as usual, I request that 3 entire blocks of Nanjraja Bahadur's Chattram, with all its vessles &c., be placed at my disposal.

(2) As the kitchens in the Chattram are very inconvenient, I request that two large temporary kitchens and two bath rooms both for Brahmins and non-brahmins may also be put up in the open space between the Brahmin and Dwija Blocks.

(3) The supply of furniture and in the absence of the same an increased grant for the hire of furniture may kindly be sanctioned and ordered to be paid in advance.

(4) The attendance of a qualified Medical Officer may also

be kindly arranged.

The dining planks ( ) tent walls, large copper Hardes( ) and rice boilers ( ) be ordered to be given for the use of the Home.

Regarding conveyance, I request the Government to reconsider the matter and make necessary arrangements to go to and come back from the place and the meetings, as it is a heavy rainy season and not possible to get carriages or motors, or a big motor bus may kindly be sent for the Home during the season.

Last year there were 90 inmates except the staff in the Home including the members, their friends and servants with the Press - Representatives. This year a large number is expected to avail - themselves of the Home, and I therefore request that a liberal grant may be kindly allowed with all other facilities.

I beg to remain,

Sir,
